

**South Dakota LMSC - Women's SCY Records**  
**Updated 08.24.24**

These records have been created as a volunteer labor of love! Please contact Katherine Olson, South Dakota LMSC Top Ten Recorder, if you spot any issues: [SDTopTen@usms.org](mailto:SDTopTen@usms.org).

**Criteria for South Dakota LMSC records:**

South Dakota Masters Swimming State records are currently kept in Short Course Yards (SCY) only. A swimmer submitting a time must have a current USMS registration and be a member of South Dakota Masters Swimming at the time of the swim. (Swimmers must be either UNAT/UC54, or a member of a club registered with the South Dakota LMSC. OEVT swimmers are not eligible for state records.) Swimmers must also reside in the state of South Dakota at the time of the swim for it to qualify as a state record.

All submitted times must be swum at USMS recognized or sanctioned meets. These meets may take place out of the state of South Dakota. (Note: many "Senior Games" events may not have the USMS recognition/sanction needed to qualify for our records. Inquire with the South Dakota Top Ten Recorder if you need verification that a meet is within compliance of these guidelines).

If you achieve a time that is a South Dakota LMSC state record, or have a question about any South Dakota LMSC state records, please contact the South Dakota LMSC Top Ten Recorder at: [SDTopTen@usms.org](mailto:SDTopTen@usms.org).

**Q: What is the difference between the South Dakota LMSC records and the South Dakota State Meet Records?**

State meet records are currently kept in Short Course Yards (SCY) only. Any swimmer competing in the annual South Dakota Masters State Meet may qualify for these records, including swimmers from other LMSC's and OEVT (one-event) registered swimmers.
